# Slime Recipe

## Ingredients

1/2 cup of Liquid Starch (found wherever laundry detergent is sold)

1/2 cup of White Glue

Food coloring

Plastic Spoon and Plastic Bowl

Plastic Zip-Top Baggie

## Instructions:

Pour ½ cup of liquid starch into the bowl.

Add 3-4 drops of food coloring to the bowl. Stir well with a spoon.

Adjust the color if needed.

Add ½ cup of white glue to the bowl.

Stir well (and carefully) with the spoon until is all mixed together.

Let the mixture rest for about 5 minutes.

Knead the mixture with your hands until it comes together.

A long-stranded glob will appear in your hands: **SLIME!**
