**INGREDIENTS**
- 1/2 cup of Dawn dish soap (this soap brand is what we found works best)
- 2 tablespoons of corn syrup
- 4 cups of water

**TOOLS NEEDED**
- water bottle or container with lid
- tray
- pipe cleaners (optional)

**PROCEDURE**
Soap + Water + Air = Bubbles!

Mix all ingredients together in a water bottle or a container with lid.

Pour the bubble solution into a tray or dip bubble wand directly into your container.

For extra fun, make your own bubble wand out of pipe cleaners!

**AGES**
This activity is geared for children ages 3 and up
